If You Can Dream It, You Can Do It

Fellow Lions of 4-C2,

On July 4, 2017 our new International President Naresh Aggarwal swore me in as your new Governor at our Centennial Convention in Chicago. I was back home in District 4-C2 on July 5, 2017 after spending 9 days in Chicago. If you ever have a chance to attend an International Lion's Convention, put it on your bucket list. Next year, June 29-July 3 it will be in Las Vegas and then in 2019 it will be in Milan, Italy.

As I visit your clubs I will tell you about some of my experiences that I had. After I returned home I found out from the news that there were 115 shootings in Chicago with 14 dead during the 4th of July holiday. Thank God that we Lions did not roam in those places. The good news was the shootings and killings were down from the previous year.

After resting for a couple of days, I was working with PDG Barry Fredenberg trying to get our directory off to the printer and much time with Cabinet Secretary Connie Marelich getting my visitation schedule to our district clubs set-up. By the time you are reading this, I will have visited some 14 of our clubs with another 13 or 14 clubs in August.

I have been very pleased with all my visits and hopefully well received by the clubs. I hope to see you all at the cabinet meeting on August 26 at Corte Madera. Make sure to send your registration forms in early and take advantage of the early bird special. We will have installation of cabinet officers as well as a program on setting up an eye vision screening program, which I would like to see in each of our regions. Also an update on our Student Speakers Program and fundraising presented by Beverlee Block, our Student Speaker chairperson.

See you real soon....

Les Mize
District Governor

What is the “Redwood Lions Memorial Foundation”?

The “Redwood Lions Memorial Foundation is a 501-C3 foundation that was set up in District 4C2 as a District project. The foundation consists of two separate funds, the “Investment” fund and the “Disaster relief” fund.

The “**Investment**” fund consists of monies that have been donated by individuals and corporations and this money is invested in dividend stocks, mutual funds and bond funds. The Dividends raised are used to support the Earle Baum Center, Lions Clubs and individuals in our district. This fund presently raises approximately \$25,000 per year with 75% being donated to various causes and 25% being re-invested.

The “**Disaster relief**” fund is monies received from Lion Clubs and individuals and is directed to immediate disasters, such as “the Valley Fire” and “the Clayton Fire” and other district needs . This money is not invested but is used to help victims immediately. Last year we received \$46,832.07 for the Valley Fire and spent over \$48,000.00 to help victims of this terrible disaster. So far this year we have received a \$10,000.00 grant from LCIF and we are working with the clubs around “South shore” to help people in need in that area. Any monies that clubs wish to donate to RLMF for our “disaster relief” fund shall be applied 100% to help those victims and other club needs in our district.

One of our major projects that we support is the “Earle Balm Center”. We spend approximately \$10,000.00 each year helping the center with its vision projects. Last year we purchased a “multi use” printer (\$6795.00) that can be used by office personal as well as those that are visually impaired. The visually impaired can access, text to read, and use the available technologies to help them utilize the advantages of this machine.

We also spent \$ 2600.00 to upgrade the center lighting this last year.

We received a \$10,000.00 grant this year to be used for the “Quest” program in the Roseland school area. That money is now being applied as specified in that grant.

We plan to continue our \$10,000.00 donation each year to “Earle Balm Center” and appreciate any assistance from Clubs in District 4C2 to help us reach that goal. Our “Redwood Lions Memorial Fund” is also ready to assist Clubs in our district and we welcome any charity money it receives from clubs to help in that effort. If your club has charity monies in your budget and wish to help, please contact any member of the board of RLMF and they will be glad to assist you.

THE REDWOOD LION

A publication of the Redwood Empire Lions Club

HAPPY NEW YEAR! Yes it really is a New Lion's Year for all of us since July first is the start of the year for all Lions Clubs; therefore we need all of you lions to get busy paying your dues and taking on your new jobs in your club. We still need one more chair for our Flag Day Program, who will step up and take on this important job. Last year we did not go to a school to give out flags, so we still have a bunch of flags to give out in February 2018. Contact me, Marge, if you think you can take this on. What a wonderful time we had at Bonnie and Marlin's on July 2nd, at our Installation Dinner. We need to thank Anna Webb who made up three large pans of Enchiladas and were they good!! A special thanks to whoever did the rice and those marvelous fruit pies. So much good food! Thanks to PDG Julio for again taking on the job of Installing Officer. Year after year he does a good job for our club.

The next dates to save are August 3rd through the sixth for the Redwood Empire Fair where we will be manning the Information Booth. Thursday and Friday we will be working from 3:00 to 10:00 p.m. and Saturday and Sunday the hours will be 12:00 to 10:00 p.m. Signup sheets will be available at our next meeting. Pedal it forward is always looking for more interested bike mechanics to get those bikes ready to be given out to the needy young people in our community. Be sure to contact Marlin when you have some free time to put in at the bike shop. We hope to have this program ready to begin giving out bikes soon.

Do you have any ideas on how we can help our community?

We are always looking for ways to serve. If you have a concern, please let someone know about it. A few more heads thinking of ways to help are a good thing. Maybe some of our new members could come up with new ideas; get your thinking caps on and get your ideas ready to be heard at our next meeting. I need all the help I can get with ideas for this bulletin.

You're Editor: Marge

The board has voted to not participate in this event going forward. Based on feedback for the team it required too much effort and time with very low return on our investment. SANTA ROSA HOST

A Message from President Bob

It is a great honor to become the 94th President of the Santa Rosa Host Lions Club. We are six years away from our 100th Birthday in serving the people of Santa Rosa. I look forward to continuing the traditions and work of the Club. My philosophy as a leader in an organization follows that of the late American statistician, Dr. W. Edwards Deming who transformed war-torn Japan into a world economy. Deming's management perception is known as Total Quality Management (TQM), and It is the continuous improvement towards the perfect which can never be obtained. In moving toward the perfect, there is no right or wrong. Everyone has a place in an organization according to their skills. As in any sports team, working as a team to achieve a goal, and not as an individual, accomplishes the greater chance of winning the game. In the final personal analysis, one should enjoy both their work, and home life. Hopefully this year, we can continue our journey as Lions in the elimination of human misery. Our first step is our parking lot sale Saturday August 19, at 400 Montgomery Drive. I hope that every Lion can be part of the team. "Alone we can do so little; together we can do so much." Helen Keller Our first regular luncheon meeting is July 4, and because of the holiday it is canceled. The second meeting on July 18, will be an open board meeting so everyone will know what is happening. Also, don't forget that we will have a Spouse and Friends Day at our regular meeting on Tuesday August 1. We will have the opportunity to visit the South Seas with Mike and Ann Rogalski. We have invited the Montgomery Village Club because they don't have a meeting on that day. This is a perfect time to have a prospective Lion or friend visit our club, so please invite a guest if you are so inclined.

Here is PDG John Posey Swearing in our new President Lion Bob Reuther. We are all looking forward to another great year, under his leadership. Lion John said this is the first

time he has installed the same person as president in two different clubs. Lion Bob was president of the San Rafael Lions Club.

Every year our outgoing president selects that Lion that has shown the best lion enthusiasm and leadership abilities in our club. This year's "Lion of the year" honors go to Lion Diane Stevens. Congratulations Lion Diane.

Here is Lion Jim MacMillan is receiving a "Melvin Jones" award from PDG Bob Reuther.

Here is Lion Barry Bialkoski receiving a “Helen Keller” award from Lion Mike Rogalski.

MONTGOMERY VILLAGE

What with the change in leadership, awards and certificates of appreciation were given out. Here's a photo of Lion Phyllis receiving a certificate of appreciation from our now past District Governor Lion Audrey for her efforts in getting a Quest grant from LCIF for the Roseland School District. I don't know why Lion Mike is in the picture. I guess he likes to be photographed.

Lion Sandy receiving a plaque for her year as president of the club. Once again, Lion Mike is horning in on the photo.

Also recognized for his service as Zone Chair was Chris Nolen. No photo is available since Lion Chris was the photographer thus denying Lion Mike a chance to horn in. :-)

Community Service

Every Wednesday Lions Janice, Dayton, and Chris spend an hour and a half with some of the ladies residing at the Santa Rosa Convalescent Hospital. We've been doing this for over a year and we know that these ladies look forward to it. We play a card game named Uno which is pretty simple (for most of us) but for some of these ladies they need help on occasion. All in all, we find it rewarding. Below is a photo of the crew. If you'd like to participate, we can start another day to visit. I know these ladies would love it!

Hello,

It is me again. I just received the email that I sent out for the Blue Print and actually scrolled down to the bottom. Imagine that!!! :)

At the bottom, there is a spot where each person can go in to [update subscription preferences](#). I have been trying to update the district's email address book by associating names and clubs with all 310 addresses. When I first began this task, there was only a handful of those email addresses that had a name attached.

I would like to ask you to take a moment to help me out. If you could click on the [update subscription preferences](#) at the bottom of this email, I have been putting first and last name in the "First Name" box and the name of your club in the "Last Name" box. If you guys would be willing to do this, you cannot imagine how helpful this would be for me and will continue to assist the district and future webmasters. If your information is already listed in the format mentioned above, it just means that I have already updated your information. :)

Thank you in advance. Your assistance would be greatly appreciated.

Cyndi

BULLETIN EDITOR NOTES

Another year of Lionism is about to begin. New challenges and new ideas will be faced by new officers and directors throughout our district. The newness is the main things that keep us active and interested. Governor Les has many new ideas buzzing and will be implanting some during his term of office.

The Blue Print has reserved space so clubs that have major fund raisers and community events can be advertised. There will be No Charge for this service, but because of time and space limitations, we ask that, first of all, you give us plenty of advance notice.

GRAVENSTEIN LIONS

President's Message

This past year, the Gravenstein Lions club has been very busy in so many different ways. A few of our projects have been: selling fireworks for donations to Non-Profits, Boy Scout T-Shirts, Student Speaker Contest, helping at the Redwood Empire Food bank, providing \$500 Scholarships to Laguna High School students, pouring beer at the Sebastopol Apple Blossom Festival, vision testing at local schools, supplying eyeglasses for those in need, being the Chain Gang at football games at Analy High School and staffing a table at a Peacetown Concert.

Gravenstein Lions are a great asset to our community. I would like to see our club continuing to serve in all areas of need in Sebastopol and the West County! Our membership is continuing to grow and will provide great members who are willing to serve alongside each other for others!

WE SERVE! Let's keep it up!!
