Our Second Century to Surpass the First

This year Dianne and I had the privilege to travel the world during Lions' centennial year. We visited a crime filled Trinidad neighborhood where Lions built a lovely playground to provide an oasis of peace. We put on big waders and helped Lions clean a stream in a city in Korea. We celebrated inclusion with Special Olympics at our U.N. Day in New York, chartered new Lions and Leos clubs and took an epic bus tour in which we witnessed Lions' passion for service in small towns and big cities. What struck me was how Lions constantly adapt, change and grow. We may be 100 years old, but we are youth-like in so many ways. Despite the challenge and exertion involved, we do indeed climb new mountains. Lions who do vision screenings start a full-fledged clinic. Lions who operate a clinic start doing cataract surgeries. Lions with a two-story hospital add a third story. We keep doing more and more. I've talked to many people served by Lions and realized anew how appreciative people are. My respect for Lions has grown exponentially. Time and time again I've seen how effective our projects are. We've been good about evolving as the world changes. We must continue to provide direction to change. Overall, Lions Clubs International (LCI) is poised for a great second century. We achieved our goal of serving 100 million people almost two years early. We established the Welcome Home program aimed at former Lions, continued to embrace technology, both among clubs and at LCI, and worked together to alleviate humanitarian crises such as the refugee problem and natural disasters.

At our 100th convention in Chicago our centennial torch will be part of the celebration. Its light symbolizes that we are lights to our communities. We bring our service to places filled with darkness and provide hope and opportunity. It's a flame of unity, too. We are one big family that works together. Thanks to everyday Lions like yourself, I know our second century will be even better than the first. Dianne and I thank you for your hospitality and warmth this year, for your service year after year and hope to see you in Chicago in a few weeks.

MONTGOMERY VILLAGE

PRESIDENTS MESSAGE

Congratulations to all of us for ANOTHER successful Polenta Feed. Preliminary reports show that we made \$4,613.00. A very SPECIAL THANK YOU to Lion Loyde and his crew for putting out such a great meal. The compliments were FLOWING. The Scouts and Leos came through to help us out again. And, of course, we couldn't have done it without our chairpersons Lion Chris Nolen and Phyllis Rogers. A job well done by all.

Our reputation as pancake cooks is well deserved. We were called by the Volunteer Center to help with the pancake breakfast for the Human Race as the Kiwanis Club bailed on them at the last minute, so Lion Bob will get a crew together to provide pancakes for this important event for Charity. It was great to see some of our "fallen Lions" back in good shape - Lions Chris, Gary and Pat were all at the Polenta feed doing whatever they could to help. Now all we have to do is get Lions Charlie, Dayton, and Trent back on the road to recovery. Charlie has had complications from his recent heart surgery, Dayton has some back issues, and Trent is suffering from neck pain. Lets all keep them in our thoughts and prayers. The next meeting will be the Nurse's Scholarships, so I hope we have a good turn-out to support this special event. Thanks to Lion Russ for working with the JC to get this on the schedule. Installation is coming up the 6th of June at Foxtail in Rohnert Park. Because our Admin account is robust, the board decided to subsidize the cost of the installation dinner. It's cost is now \$25 per person. If you bring your own wine there will be a corkage fee of \$5. Let's all support our incoming president, Lion Mike Bell and start his year off with a bang and a big turn-out for this event.

Yours in Lionism,
Lion Sandy

Last April 21st, the Montgomery Village Lions Club had its last fund-raiser for this fiscal year and the Holy Spirit Church. Once again, with everybody pulling together, our Polenta Feed was a success. A full house of people enjoying the company of others and, of course, a great meal. Sales of pull tabs, bucket raffle and silent auction items were brisk and the event progressed without a hitch. An ovation should be given to our cooks Lions Loyde, Alice, and Walt with ex-lions Dan and Kirt lending a hand also. Thanks also go to Lions Sandy and Bob and their crews for handling the sale of raffle tickets and pull-tabs. Lion Ann did a superb job handling both the silent auction and the bucket raffle. Lion Gary once again was the food service coordinator who directed the Boy Scouts and Leos, and Lion Hank and crew did the table set-ups.

A special shout out to Lions Phyllis and Sandy with getting \$1200 in table sponsorships and Lion Pat for getting a case of wine from Balleto Winery. As of today, the event netted over \$4,600 and some ticket sales are still to be collected. Please bring any monies collected from the tickets sales to our next meeting or call Lion Chris.

Please keep in mind those people or businesses who donated to this event both in table sponsorships, silent auction items (Lion Linda personally donated a \$200 Western Farms gift certificate). and bucket raffle items.

At our last meeting, we had three students from SRJC come and talk about themselves and their aspirations. What an impressive group of young adults! We had to vote for the student which we thought most deserving of a the \$1,500 scholarship with the other two getting \$500 each and the choice was not easy. The top scholarship went to Jordan Panana with Victoria Sheber and Mickie Seuta getting \$500 grants. Here is a picture below: of the three with their advisors flanking them and Lion Russ on the right.

This Tuesday's meeting will be the awarding of scholarships to the SRJC nursing program. Besides attending this great event, how about bringing a guest. What better way to show them what Lionism is about.

HUMBOLDT REGION LIONS

Members of the Humboldt Region Lions gathered at the Samoa Cookhouse on Saturday, April 22 to catch up on what each club was doing. Each club shared projects, ideas and accomplishments. Members also discussed the possibility of starting more Leo clubs in the region. A Leo Club is a high school group under the direction of a Lions Club. A total of 27 Lions and 3 guests from five of the seven clubs were in attendance. Region Chair Bob Wainwright presented awards and pins to several members for various accomplishments. Shown in the photos attached are:

Humboldt Region Lions Gathering April 2017

Humboldt Region Chair Bob Wainwright organized a gathering where those present were briefed on current and past activities of the clubs as well as information on the possibility of forming more Leo clubs in the region. A total of 27 Lions and three guests from five of the seven clubs were in attendance. RC Bob presented awards to the Region Lion of the Year as well as the Zone Chairs for their assistance. He also presented a special vest pin to each of the three new Lions in attendance. The two clubs unable to attend, provided information that was read by RC Bob in their absence.

MONTGOMERY VILLAGE LIONS

Montgomery Village Lions Club put on a great Polenta and Stew feed on April 21st.

Our club had 16 members there to enjoy the good food and visits.

Here is a picture of our table as the lions began to arrive.

In the 2nd picture you can see Lions Jim MacMillan, Susan Childers, and Kathy Nelsen.

A good time was had by all.

A Message from our incoming President Bob Reuther

Just want to alert you that our first fundraiser will be a parking lot sale on Saturday August 19, 2017. It is necessary for us to plan this one event at this time because we need cash in our charity account, the cost factor of putting on the event is low, and part of the goods have already arrived. This Saturday was chosen because the other weekends in August have Lions events.

Last week, thanks to Sandra's clients in Petaluma, Diane, Daniel, and I have already brought three truckloads of household furniture to Sandra and Diane's house, as well as at Linda Clustka's house. This will be listed for sale by Diane immediately on Craig's List as storage can be a problem. The event is therefore already in progress. We are looking for other salable items to put on Craig's List. If you know of any one moving, or in need of get rid of furniture or good stuff, let Diane know. Associate member Chris Nolen has agreed to be a liaison with Montgomery Village for items and to help at the event.

This date is great because Monday August 21, is the Solar eclipse. It will begin in Santa Rosa at 9:01 AM, with the maximum cover at 10:15 AM, and end at 11:36 AM. Since this event can damage the eye, at the very minimum we can advertise how to look at the sun by a brochure and road signs. We can order solar viewing glasses for as little as 1,000 for \$.45 for instance at the Rainbow Symphony

Store <https://www.rainbowsymphonystore.com/products/eclipseglasses> .

It would be great if we could do spot vision and inform the public as to the many activities we do for sight such as the Lions Eye Foundation, and the Lions Redwood Memorial Foundation. We could get other clubs to help us with these sight activities.

I am sure that if we combine the Parking Lot Sale with Vision we can get a lot more free advertisement, since it will be a community vision event, as well as a parking lot sale. In fact, we could advertise it as Santa Rosa Lions Vision Day and Parking Lot Sale.

The current Membership Committee consisting of Vicki, Sandra, and I have learned from the last cabinet meeting, from Lions material, and from Claude's idea of internet members, that young people do not want to attend meeting. They want to work on causes and communicate by the internet. Hopefully this event would be a good start in the right direction.

I am sure that when the club fully discusses the above, as Vicki and Sandra have been working on the internet membership idea that we will come to the right conclusions.

Bob

Greetings Fellow Lions,

It was good to see all of you back in your seats – especially Lion PDG Claude! We bid farewell to Lion Phyllis Koback, who is moving to Idaho. We hope she transfers to a Lions Club there (don't know how far she is from Twin Falls, ID, but I know they meet on Wednesday's, Noon-1PM, at the Idaho Pizza Restaurant)...our loss, and certainly their gain.

All the best to you; we will miss you very much and hope you come to visit us soon! It was hot and the meeting got hotter as our song director, Lion Chuck, lead us in song, Anchors Away...Lion Dennis roared and played (on his mobile device—isn't modern technology wonderful?!?) the Army recruiting song used back in the 70's.

Be sure to be at our next club meeting, as Lion Dennis won fine free and I think it is going to be an interesting meeting!

My year is winding down (2 more club meetings to go and one more BOD meeting).

The year has flown by and I'm concerned of things I have left undone – Internet Club Launch; brochure for our Spot Vision (in the works) and growing membership by 2 (grew by 1 – thanks, Marla, for joining our den). There are only so many hours in a day and I want to thank all of you for your help. I'm looking forward to the Centennial Convention in Chicago and bringing back some great stories to share with you.

Lion President Vicki

REDWOOD EMPIRE LIONS

Congratulations to our leading new member getter, Sheryl who has been acting again. She brought in Joe and Linda Martin this month.

They are the fourth family unit in our club. We welcome them and know that they will be a wonderful addition to our Lion's family.

Since December of 2015 Sheryl has brought in 6 new Lions to the Redwood Empire Lions Club; if we had a few more like her our club would be taking off into the stratosphere. Some of you Lions should take a leaf from her notebook and bring in some more new members!

On June 3rd the club will be taking part in the Art Show at the Plaza. We will be selling popcorn, soft drinks and water in a booth at space 48.

We will need workers for several 2 or 3 hour schedules during the day. Be sure to sign up with Bonnie for your time. It should be a very fun time with all the art on display.

See you Marge Pardini

Dear Melvin Jones Fellow:

On behalf of Lions Clubs International Foundation, congratulations on becoming a Melvin Jones Fellow.

The Melvin Jones Fellowship is named for Melvin Jones, the founder of Lions Clubs International. It is largely due to the growth of the fellowship program that LCIF has been able to meet humanitarian needs in communities around the world.

Fellowship contributions help to bring medication to prevent river blindness to people like 67-year-old Hilario and her family or teach children like 12-year-old Stefan to avoid drugs through Lions Quest. Each Melvin Jones Fellowship contribution can restore the sight of 167 individuals or provide Lions Quest to 67 youth. LCIF is able to continue and expand programs through the generous support of Fellows such as yourself. You should take great pride in knowing you will impact so many lives, both in your immediate community as well as across the globe.

As a Melvin Jones Fellow, your name has been added to our listing of all individuals in the program. During your next visit to International Headquarters, I invite you to visit the LCIF Room to see your name on this extensive list.

Wear your Melvin Jones Fellowship lapel pin with pride. It represents your dedication to humanitarian service to the highest degree. Thank you for your continued dedication and support to LCIF.

Sincerely,

Dr. Jitsuhiro Yamada

COME, CELEBRATE in CHICAGO - 2017

The stage is being set and the plans are being finalized for the Lions of the World to come to Chicago for the Centennial Convention in 2017. The Host Committee along with Lions Clubs International are preparing to welcome you in June, 2017 for the 100th Lions Clubs International Convention.

The convention opens on Friday, June 30th and runs through Tuesday, July 4th. Changes have been made in the use of the Chicago venues as well as the parade route since the last time the convention was in Chicago.

- All the plenary sessions, voting, exhibits, educational seminars and the International Show will be at one venue - McCormick Place located on Chicago's lake front.
- The traditional Lions International Parade of Nations will march through the commercial district of Chicago on State Street on Saturday, July 1st. Annually, Chicago only permits three parades on State Street and in 2017 our parade will be number four.

By coming to Chicago, you will be able to experience the city of the birth of our organization. See the Lions statue that appears in the photograph of our founder, Melvin Jones. You will have the opportunity to visit an exhibit in the Convention Hall that displays our history as well as the opportunity to visit our headquarters in Oak Brook.

Chicago by itself has a lot to offer for those that visit. We have our beautiful lake front where you can walk, along with a variety of museums and cultural centers, Navy Pier with its new Ferris wheel and of course the Magnificent Mile for your shopping experience.

As chairman of the Host committee, I can assure you that the Committee Members are preparing to make this convention one of the best in our Association's history. Our goal is to make the attendees feel as if they are home and enjoying a family reunion.

So, as we celebrate the 100th Anniversary, let's take the time to renew our commitment to the motto "**We Serve**" and for the centennial "**Where there is a need, there is a LION**". This commitment will help us achieve our goals for our Centennial Celebration and carry us forward into our second hundred years of Service.

So plan to COME and CELEBRATE this milestone in the history of LIONS CLUBS INTERNATIONAL We will see you soon in Chicago.

What is the “Redwood Lions Memorial Foundation”?

The “Redwood Lions Memorial Foundation is a 501-C3 foundation that was set up in District 4C2 as a District project. The foundation consists of two separate funds, the “**Investment**” fund and the “**Disaster relief**” fund.

The “**Investment**” fund consists of monies that have been donated by individuals and corporations and this money is invested in dividend stocks, mutual funds and bond funds. The Dividends raised are used to support the Earle Baum Center, Lions Clubs and individuals in our district. This fund presently raises approximately \$25,000 per year with 75% being donated to various causes and 25% being re-invested.

The “**Disaster relief**” fund is monies received from Lion Clubs and individuals and is directed to immediate disasters, such as “the Valley Fire” and “the Clayton Fire” and other district needs . This money is not invested but is used to help victims immediately. Last year we received \$46,832.07 for the Valley Fire and spent over \$48,000.00 to help victims of this terrible disaster. So far this year we have received a \$10,000.00 grant from LCIF and we are working with the clubs around “South shore” to help people in need in that area. Any monies that clubs wish to donate to RLMF for our “disaster relief” fund shall be applied 100% to help those victims and other club needs in our district.

One of our major projects that we support is the “Earle Balm Center”. We spend approximately \$10,000.00 each year helping the center with its vision projects. Last year we purchased a “multi use” printer (\$6795.00) that can be used by office personal as well as those that are visually impaired. The visually impaired can access, text to read, and use the available technologies to help them utilize the advantages of this machine.

We also spent \$ 2600.00 to upgrade the center lighting this last year.

We received a \$10,000.00 grant this year to be used for the “Quest” program in the Roseland school area. That money is now being applied as specified in that grant.

We plan to continue our \$10,000.00 donation each year to “Earle Balm Center” and appreciate any assistance from Clubs in District 4C2 to help us reach that goal. Our “Redwood Lions Memorial Fund” is also ready to assist Clubs in our district and we welcome any charity money it receives from clubs to help in that effort. If your club has charity monies in your budget and wish to help, please contact any member of the board of RLMF and they will be glad to assist you.
