

Hi Fellow Lions,

You are invited to join us in Celebration Sat Aug 5th. on our new Site 3470 Santa Rosa Avenue.in Santa Rosa. We would like everyone to come check out our new site for our Modular Building to help the children, adults and seniors. This building will also be our Club House, a place we can call home. It's taken some of us 32+ years, but then who's counting, eh? Thinking back it now seems like yesterday so then where exactly did the years go? Time sure does fly.

To succeed in getting our Building Project up faster, we could use some help & advice from fellow lions in our District. Are you up to the challenge? If you're retired and are Construction wise smarts and would like to volunteer to help, let us know. We'd love to hear from you. If you have time and can volunteer to help, even if it's just with advice, we're going to need all the help we can get. You know the saying, more hands less work.

We are looking for in-kind donations from business and individuals if possible. If you know of any business that we can contact for help, let us know as in-kind donations will help us a lot financially and with our 501c3 status, it'll be tax deductible for the business, a win win, right?

Right now, we'd love to have you come and have a great day with us in Celebration We are working on entertainment, we have Mateo Guzman putting on the Entertainment for us complete with Dance Floor for our enjoyment.

Lets not forget our No Host Bar and friend bar tenders. We're working on Raffle prizes if you have something you think will work in the raffle, get it to us for the day so someone can enjoy it when they win. Lets make this a joint venture. Come spend a few hours with us to see what it is some of our members, including myself have worked for 32+ years to put together. This project is very important to us because it will help many children, adults & seniors in the community. It really warms our hearts and will yours too.

We have 3 empty acres of land to work with, we are working on Temp Elec & Water, if you've worked with the City and County you can imagine what we are going through. Our Modulares are waiting patiently to be place on the site when we are approved our permit. This building project of ours is really History in the making. It'll be a one of a kind for sure

We had 20 tables and chairs coming, that just fell through we were informed as there's been a lot of weddings lately so everyone we know are running out. Not to worry, we have Hay Stacks to sit on. We are asking those who have a Canopy please bring it for the day. If you want to bring a table and chair for yourself, you are welcome. If we cannot get tables, we have bales of Hay for sitting so bring you Canopy & it'll be an adventure. We're still working on Tables and Chairs as we won't give up.

If you have questions or suggestions, call me anytime day or night. A Celebration is no fun without friends, so please come and spend a few hours with us as it'll be fun.

Dont forget to RSVP as we need to know how many we will be feeding. The BBQ is on us.

We look forward to seeing you again or looking forward to meeting you for the first time would be nice too.

Please help spread the word as Lions, naturally we'd like as many Lions as possible to join us in Celebration. It won't be the same without you.

Have a good day & a great life to all.

Toodles until we hear from you or see you SAT AUG 5TH 2017.

Yours in Lionism,

Lion Pat Sterck  
Club President
