Lions:

We have all heard about the terrible floods in the southern part of our country and we know that your club would like to help but many of you do not know of the best way to do so. Your "Redwood Lions Memorial Foundation" has decided to donate \$3000.00 in the name of District 4C2 and now we need to ask each of the clubs in our district to make donations so we all can help as much as possible. Please solicit donations from people in your area and ask them to write the checks to RLMF. By sending your donation to RLMF we can group the monies and send it to LCIF marked "for flood relief from district 4C2". Please help your district help these people in serious need.

Remember RLMF is a 501c3 foundation and any money you get from donors in your communities will be "tax deductible. The tax ID# to use is 942831601. Send all donations to the address above.

Thank you for your assistance.
