

# HELP!

Our Roseland Lions & Lioness Lions Club, proud part of Lions Int'l

chartered 2005/6 in Santa Rosa, CA with 501c3 Status for this building project.

Roseland Lioness & the old working with City of SR on and off We joined forces & our Charter was

project for good, our club took it on totally on our own need of help & support. We purchased the Building from help our community on our own. Here we are in Permit status. Club now have a Site to place our building, Permit in place for our Building. We are that close and ready to finally move forward.

Roseland Lions. volunteers on a Bldg. to help the community. born. City decided to scratch the as the community is very much in City & decided to move forward to

Permit dept. recently SR must all support we were told in past the fees, having to

told us that **Salamander** rules changed. New construction applicants in **Salamander Habitats**. **There can be no exceptions**. No matter what years, we need to abide with the new rules. We have no objection to raise large sums in such a short time is extremely difficult.

**Club's BIOLOGIST tells us minimum Mitigation cost is \$150,000.00. NO PAYMENT means NO PERMIT is what Members were informed by Permit Dept.** We are turning to you, our Fellow Lions in District 4c2 to donate

what you can. We can't do this without help. With help community, we'll be able to cover this cost. Please help **All donations in any amount Small or Big 100% will go 100% tax-deductible** for all donors. We hope that most
