Lions District 4C2

Attention: District Governor Bialkoski

Dear Lions District 4C2 Cabinet and Members.

I have been a Lions Club member of the Fort Bragg-Mendocino Lions for over 15 years. I have been a Board Member, Secretary, Treasurer, Vice President, President, Membership Chair, and Fort Bragg Leo Club Advisor. I have chaired numerous events for our club and I am currently very active in our activities.

At a District level, I have been a Zone and Region Chair, on the Convention Committee (as entertainment chair), and District Leo Advisor.

About 8 years ago, I was 'on track' to go up the ranks to District Governor, but I needed to really work with my own club, because we were dwindling in numbers, and our mindset needed to change. For a couple of years, I told my District 4C2 friends: "If I cannot help to heal and strengthen my own club, how can I possibly inspire all of the clubs in our District?"

This took a few years, and I am thrilled to say the Fort Bragg-Mendocino Lions are a vibrant, exciting, unique, and eclectic group. We are a club with new Lions working with our mentor Lions, bringing brilliant ideas, a passion to help others, and energy to serve our community! I am so proud of my Club. My heart is full.

So now, I believe I am ready to share my excitement for the future of Lionism with District 4C2. I want to encourage, strengthen and inspire our clubs to continue to move forward with our next generation, and remember that 'helping hands = happy hearts'.

Therefore, it is with great pleasure and excitement to officially inform you of my intent to run for the 2019/2020 2nd Vice District Governor for Lions District 4C2.

The Fort Bragg-Mendocino Lions' letter of endorsement is attached.

Yours in Lionism,

Lion Cindy Lemas-Gillespie
Lions District 4C2 Leo Advisor

NEW AMBULATORY SURGERY CENTER

The building of a new Ambulatory Surgery Center (ASC) at 711 Van Ness Avenue, San Francisco started in December 2018. The ASC will be on the second floor next door to the Lions Eye Clinic. The planned opening date is December 2019. Many LEF patients will receive their surgeries there. LEF raised \$2.1 million toward the development of the Eye Clinic. LEF has established a grant of \$1.5 million toward the development of the ASC.

LEF FELLOWSHIPS

A significant source of revenue for Lions Eye Foundation (LEF) has been its fellowships. Fellowships are a way for clubs to recognize club members for their dedicated service. Fellowships allow individuals and clubs to donate to the Foundation and receive recognition for their donation. Becoming a Fellow in LEF will show your commitment to becoming a "knight for the blind in the crusade against darkness." Currently the Foundation has the following fellowships:

MENDOCINO REGION

ZONE 1

MARGE PARDINI

REPORT OF 5 CLUBS IN MY ZONE:

LAYTONVILLE LIONS CLUB:

Laytonville Lions will be having a Student Speaker Contest next Thursday, February 21st. they did not have a kit, but I sent them our kit from the Redwood Empire Lions Club since we did not have any students willing to take part, I hope that was OK. They only have one speaker, but know that they still have to have the contest as if there were more speakers. Our Zone 1 contest will be on March 16th here in Ukiah.

ROUND VALLEY LIONS CLUB:

The club is still working with an attorney to get their problems solved.

They just had an election of officers in January since they are on an Annual basis, from January to December. They have not done a PU101 in several years. The secretary cannot get into the My Logon site, he is working on that.

UKIAH HOST LIONS CLUB;

I visited this club one week in January, they are a fun club to visit.

They just got done with their Youth Football League and did well with their 5 teams. Their Cheerleader Squads placed very well in their contests. This club seems to be able to get young members, including some sons of members. One of the largest clubs in our District.

UKIAH REDWOOD EMPIRE LIONS CLUB:

The club gave 70 bikes to the Christmas Effort as well as having members help with the toy wrapping and delivering of food and toys on Christmas Eve to needy families. On February 25th the club will be putting on the Cub Pack 64 Blue and Gold dinner for approximately 70 parents and scouts, this is a yearly event for the club.

WILLITS LIONS CLUB:

The President tells me that this is a very quiet time for them but they did award about \$1500.00 in Scholarships. They always come down to take part in the Region/Zone Pizza Party in September here in Ukiah.

In January the Gualala Lions held their annual Crab Feed. We filled our Gualala Community Center with sellout crowds for Friday and Saturday nights. The 230 dinners sold brought in over \$10,000 to fund our projects for this year.

On February 22 and 23 Gualala Lions work hazmat recording vehicle license number and doing traffic control. The club has been providing this service to our community five times each year for over 20 years.

On March 15th Gualala Lions will hold their second annual Corned Beef and Cabbage Dinner followed by Bingo. This has become a popular event that brings the community together for a fun evening.

In April the Anderson Valley Lions Club will work it's food and beverage booth at the Fairgrounds in Boonville. This is the club's major fundraiser for the year.

On January 21st I visited the Anderson Valley Lions Club where I delivered and presented chevron awards and an achievement patch for the club's banner. I attended both a board and general meeting that evening.

I attempted to attend a meeting of the Fort Bragg Lions Club in January. That visit is rescheduled for March.
