Our Mission
WE SERVE

Cindy Lemas-Gillespie
Lions District 4-C2 Governor

September 2021

Hello 4-C2 Lions!

August was a whirlwind month of fun club visitations and our first cabinet meeting/conference.

Thank you to the clubs I have visited, for your hospitality! I am so impressed with everything you all are doing, especially during these unprecedented times. You all have reinforced our Mission "We Serve".

During my visitations, I am asking YOU, the clubs, what YOU need from the District. The District has resources, information and support for YOU. I am so happy you are being honest and talking with me, not as 'your Governor', but as a fellow Lion who cares deeply about our communities.

Thank you to all of our Far Northern clubs for your coordination, help, and hospitality for our cabinet meeting and conference in Ferndale. It was fun having it on the fairgrounds and to also support Ferndale Lions food booth! It was a pleasure to hear about all of the activities the clubs are doing, up North. What was very special to hear is how all clubs in the region support and work with each other with their projects and fundraising. A perfect example of 'together we are better, serving with our hearts.' These clubs have traveled to the meetings down south, for so many years. It was very nice to bring the district to them. Thank you to all who traveled North to join us!

Special thanks go to 2VDG Rick, Cabinet Secretary Cyndi and Treasurer Royal for coordinating the wifi ability in a fairground, so we could host our first hybrid cabinet meeting via zoom! It worked! We had over 10 in attendance through zoom! Thanks to Zoom, we had over 50 members join us at the cabinet meeting!

Our November cabinet meeting will be November 12-13, 2021. Windsor Lions are looking to have a fundraising dinner on Friday the 12th, and the conference on Saturday. The theme of this conference is "Building on our Foundations". We will have guests speaking about the foundations we have in our District and how these foundations help our clubs. This will also be offered as a hybrid meeting.

I look forward to many more club visits! And don't forget to invite me to help during your service projects! If I am able, I would LOVE to volunteer!

Yours in Lionism,

Governor Cindy

FAIRFIELD HOST RECENT EVENTS. Club members are vision screening local students again & problems caught early enough, can be treated. Approx 8-10% of the children screened need a follow-up by an ophthalmologist & those parents are advised to take them as soon as possible.

The club recently welcomed **Lion Lucille Hynes** of Windsor Lions club & **Canine Companions**, along with Dr Jill Levenson & her black lab. She received a donation on behalf of the organisation from President Henrik Hansen.

A 'BACKPACK & FOOD GIVEAWAY' EVENT was held recently, that also included vision screening. Several hundred people showed up and 2 cameras were needed to manage everyone requesting a test!

The following weekend the club hosted a **'BACK TO SCHOOL RESOURCE FAIR'**, with more vision screening of 150 students & parents. **GO FAIRFIELD HOST LIONS CLUB!**

That's a bit of British humor, and as always, sarcasm plays a big part! The club has been really, really, really busy!

SANTA ROSA HOST LIONS CLUB DG VISITATION

THE NEWEST LION

SUBMITTED

On Aug. 21, the Eureka Host Lions Club welcomed Joshua Dulay as its newest member. Dulay was inducted by District 4C2 District Gov. Cindy Lemas-Gillespie during the cabinet meeting of Lions District 4C2. Pictured from left are Eureka Host Lions Club President Jessica Clothier, Eureka Host Lions Club member Lt. Loretta Dulay, inductee Dulay and Lemas-Gillespie. The Eureka Host Lions Club meets the first and third Tuesdays of the month. Due to COVID-19 restrictions, meetings are currently conducted via Zoom. For more information, email to jessicaeubio10@gmail.com.

FAIRFIELD HOST LIONS CLUB brought back the ever-popular **PRIME RIB IN THE PARK!** Less people were able to attend this year because of rules relating to Covid19, but the event was another great success for the club!

CABINET MEETING PHOTOS FROM FERNDALE, CA.

FRIDAY DINNER – Early-birds met for dinner at Café Marina on Woodley Island. It was good to see old friends again. Past Council Chair Liz Crooke travelled from Monterey to install the Cabinet officers at Saturday’s Cabinet meeting.

CABINET MEETING – was held at Ferndale Fairgrounds in the morning, so attendees could go on to the annual Humboldt County Fair & eat lunch at Ferndale Lions food booth. DG Cindy made this a hybrid meeting, so several Lions zoomed in as well.

During the Cabinet meeting, DG Cindy inducted new member, Josh Dulay, into the Eureka Host Lions club. Josh is shown with his sponsor, Lion Loretta Dulay, club President Jessica Clothier & DG Cindy Lemas-Gillespie.

DG Cindy shown with Past Council Chair, Liz Crooke & in front, Cab Sec Cyndi Bainbridge, taking a nap!! Not true, just more Brit humor, but knowing how hard she works, she certainly deserves one.

RIO VISTA LIONS AT HOG AUGUST BITES AUG. 28th.

Although this was a community event, with live music all day, a chilli contest and much more, Rio Vista Lions organised an event for local residents to 'purchase a table' and offer used-only items for sale. The temps were 'way up there', as were most places around the district, but that didn't stop people having fun all day. Fun with friends & meeting outdoors has been missing for so long, that every possible occasion to meet is very exciting. Sadly, with Covid 19 numbers on the rise again, the excitement may be short-lived.

RIO VISTA LIONS now look forward to the **BASS FESTIVAL in October**, when they will put on the annual Car Show.

For information on the Car show, please see the poster included in this newsletter, on the last page of this edition of the Buzz!

PS I did say that Hog August Bites was a fun & relaxing event didn't I? Take a look at Club Secretary, Ron Jones, proving my point!!

SANTA ROSA HOST ANNUAL RUMMAGE SALE.

The temperature was 104 degrees, but the show must go on when Lions have an event.
